Even if the house is not deemed Type A-Historic Resource, if it's located in a historic district or a potential historic district, it will be harder to replace it with an out of scale and out of character structure. To find out whether or not the house is located in a potential historic district, contact the Preservation Planner assigned to the Environmental Evaluation of the project. To find out who the assigned Preservation Planner is, click on the **Planning Apps** tab and look for the Environmental (ENV) entry:
